

Frost & Sullivan Recognises Top Australian Companies at Annual Excellence Awards in Sydney

Sydney, Dec 8, 2016 – Frost & Sullivan today honoured best companies in Australia at the 2016 Frost & Sullivan Australia Excellence Awards banquet, held at the Hilton Sydney.

Companies recognised include Stellar, Interactive Intelligence, Cyara and ipSCAPE. Telstra walked away with triple awards at the banquet, the Customer Contact Service Provider of the Year, Enterprise Mobility Service Provider of the Year and Enterprise Collaboration Service Provider of the Year.

Mr. Mark Dougan, Managing Director, Australia at Frost & Sullivan said that Frost & Sullivan is excited to host the excellence awards in Australia, which is in its 11th year now, to recognise and celebrate best-in-class companies in the country.

“Frost & Sullivan hopes that the recognition will serve as a source of encouragement and inspiration for the Australian recipients. We congratulate all the Australian award recipients,” he added.

He also said that the recipients of the 2016 Frost & Sullivan Australia Excellence Awards were identified based on an in-depth research conducted by Frost & Sullivan's analysts. The award categories offered each year are carefully reviewed and evaluated to reflect the current market landscape and include new emerging trends.

The short-listed companies were evaluated on a variety of actual market performance indicators which include revenue growth; market share and growth in market share; leadership in product innovation; marketing strategy and business development strategy.
