

Frost & Sullivan Honors Thai Companies at 2015 Thailand Excellence Awards

Bangkok, April 2, 2015 – Frost & Sullivan today presented 28 awards to the best companies in Thailand at the Dusit Thani hotel in Bangkok.

Mr. Koh Eng Lok, Country Head, Thailand at Frost & Sullivan said that the awards seek to recognize companies for demonstrating outstanding achievements and superior performance.

CAT Telecom Plc/IRIS Cloud, NEC, True Universal Convergence & True Internet, ISS Facility Services Co Ltd, Dimension Data (Thailand), Property Care Services (Thailand) Ltd, i-secure and Cryoviva were amongst companies recognized at the 2015 Frost & Sullivan Thailand Excellence Awards.

“We are delighted to host the banquet for the fourth consecutive time in Thailand. I am confident that the awards banquet will continue to be the most anticipated event of the year by Thai companies,” Mr. Koh added.

"The 2015 award recipients have clearly demonstrated outstanding commitment to their clients," Mr. Koh said, adding that the award categories offered each year were carefully reviewed and evaluated to reflect the current market landscape and include new and emerging segments of the ICT, automotive, energy & power, healthcare, building technologies, chemicals and palm oil.

He added that these awards play an important role in recognizing the success and hard work that companies had put in. “Hopefully, the awards will spur companies to achieve greater heights in their business,” Mr. Koh said.
