

Thailand's Leading Companies recognized at the 2018 Frost & Sullivan Thailand Excellence Awards

Bangkok, March 28, 2018 – Frost & Sullivan today honored more than 40 companies in Thailand at its annual Excellence Awards banquet, held at the Anantara Siam Bangkok Hotel.

Top companies recognized at the awards banquet include Advanced Info Service PLC, BMW Group (Thailand) Ltd, JITTA, Philips Electronics (Thailand) Ltd and True Move H Universal Communication Co Ltd.

Mr. Koh Eng Lok, Country Head, Frost & Sullivan Thailand said that the Awards seek to recognize best practices and outstanding performance by Thai companies in the Automotive, Healthcare, Energy & Environment, Automation & Electronics and ICT sectors.

He added that the award recipients were identified based on in-depth research conducted by Frost & Sullivan analysts. The award categories offered each year are carefully reviewed and evaluated to reflect the current market landscape and include new emerging trends.

"We are delighted to celebrate the achievements of these truly innovative and well-deserving companies in Thailand whom have continually demonstrated outstanding leadership in their respective market segments," he said.

The short-listed companies for the 2018 Frost & Sullivan Thailand Excellence Awards were evaluated on a variety of actual market performance indicators which include revenue growth; market share and growth in market share; leadership in product innovation; marketing strategy and business development strategy.
