

**Frost & Sullivan recognizes Leading Companies at
2014 Frost & Sullivan Thailand Excellence Awards**

*~ True Internet, CPF, Boon Rawd Brewery, BMW, i-secure, One to One Contacts, Property Care Services,
Avaya, Enatel Energy among companies honoured ~*

Bangkok, Thailand, 28th May 2014 – Frost & Sullivan today honoured and recognized 2014 Frost & Sullivan Thailand Excellence Awards at the 2014 Frost & Sullivan Thailand Excellence Awards banquet, held at the Four Seasons Hotel, Bangkok.

Manoj Menon, Senior Partner & Managing Director - APAC, Frost & Sullivan said that the company honours and recognizes companies in a variety of regional and global markets for demonstrating outstanding achievement and superior performance in areas such as leadership, technological innovation, customer service, and strategic product development.

“We are extremely proud and happy to host the third annual awards in Thailand to celebrate the best practices of Thai companies. I am confident that this awards banquet will continue to be the most anticipated event of the year by the Thailand business community,” he added.

Koh Eng Lok, Country Manager, Frost & Sullivan Thailand said The Frost & Sullivan Thailand Excellence Awards is now in its third consecutive year and seeks to recognize companies and individuals that have pushed the boundaries of excellence - rising above the competition and demonstrating outstanding performance in the Thailand market.

This year, prestigious titles will be awarded in various categories i.e. Automotive, Chemicals, Food, Healthcare, Energy & Power, Building Technologies, Aerospace and Information & Communication Technologies

“Through in-depth research and series of benchmarking exercises conducted by Frost & Sullivan's experienced analysts, the Frost & Sullivan Thailand Excellence Awards clearly identify companies with outstanding achievement within their own landscape while marking the strength and resilience of these companies from sustaining beyond tough times during fluctuating economy and floods crisis. These remarkable performers thoroughly realize and understand their core competency and value proposition, thus keep on excelling their performance through focused growth strategies and enhancing operational efficiency,” Mr. Eng Lok said.

“The recipients of the Frost & Sullivan Thailand Excellence Awards have clearly demonstrated outstanding performances, rising above the competition in Thailand”, Mr. Eng Lok said.
