

Top Accolades for Thai Companies at the 2017 Frost & Sullivan Thailand Excellence Awards

Bangkok, March 22, 2017 – Frost & Sullivan today presented top accolades to more than 40 companies in Thailand at its annual Excellence Awards banquet, held at the St Regis Bangkok hotel.

Amongst companies recognized at the awards banquet include Raimon Land, ISS Facility Services, Aspect, WHA Corp, Cryoviva and Hipflat.

Mr. Koh Eng Lok, Country Head, Frost & Sullivan Thailand said that this year, the company has decided to introduce a new award category, Companies to Action, which recognizes and celebrates start-ups and emerging companies that are making the most impact socially and in their industry, as well as being unique and transformative.

He added that the Frost & Sullivan Thailand Excellence Awards seek to recognize best practices and outstanding performance by companies in Thailand in the automotive, ICT, transportation & logistics, chemicals, materials and food, healthcare and energy and environment sectors.

Award recipients were identified based on an in-depth research conducted by Frost & Sullivan analysts. The award categories offered each year are carefully reviewed and evaluated to reflect the current market landscape and include new emerging trends.

The short-listed companies for the 2017 Frost & Sullivan Thailand Excellence Awards were evaluated on a variety of actual market performance indicators which include revenue growth; market share and growth in market share; leadership in product innovation; marketing strategy and business development strategy.
